Mr. Turton has been an integral team member at Red Eagle Mining since joining shortly after the Initial Public Offering in 2011.

### ***About Red Eagle Mining***

Red Eagle Mining is a well-financed gold exploration and development corporation with an experienced mine development team. Management is focused on building shareholder value through discovering and developing gold projects with low costs and low technical risks in Colombia, a jurisdiction with prolific historic production but until recently limited modern exploration. Red Eagle Mining owns 51% of the Vetas Gold Project and 100% of the Santa Rosa Gold Project, where construction is underway at the fully permitted and fully financed San Ramon Gold Mine with production expected to commence during the second half of 2016.
