

RED EAGLE MINING LISTS ON SANTIAGO STOCK EXCHANGE VENTURE

Vancouver, BC, April 27, 2015 – Red Eagle Mining Corporation (TSX-V: RD, OTCQX: RDEMF, SSE-V: RDCL) is pleased to announce its shares have been dual listed on the Santiago Stock Exchange Venture (“SSEV”). The SSEV, which results from an agreement entered into last year with the TSX Venture Exchange (“TSXV”), allows issuers listed on the TSXV to apply for a dual listing on the SSEV. This process does not result in additional costs for the company. Red Eagle Mining’s shares trading on the SSEV will be denominated in Chilean Pesos under the symbol RDCL.

“Dual listing on the SSEV will allow Red Eagle Mining to not only access the capital markets in Chile, but also the capital markets in Colombia, Mexico and Peru through the Integrated Latin American Market, while strengthening our visibility in the region”, commented Ian Slater, Co-Founder & Chief Executive Officer.

About Red Eagle Mining

Red Eagle Mining is a well-financed gold exploration and development company with an experienced mine-development team. Management is focused on building shareholder value through discovering and developing gold projects with low costs and low technical risks in Colombia, a jurisdiction with prolific historic production but until recently limited modern exploration. Red Eagle Mining is developing the 100 km² historic Santa Rosa Gold Project located in the Antioquia Batholith. Development will initially commence with the fully permitted San Ramon Gold Mine where a positive Feasibility Study supports project development. Construction is scheduled to commence by mid-2015 with production in 2016.
