### ***About Red Eagle Mining***

Red Eagle Mining is a well-financed gold exploration and development company with an experienced mine-development team. Management is focused on building shareholder value through discovering and developing gold projects with low costs and low technical risks in Colombia, a jurisdiction with prolific historic production but until recently limited modern exploration. Red Eagle Mining is developing the 100 km<sup>2</sup> historic Santa Rosa Gold Project located in the Antioquia Batholith. Development will initially commence with the fully permitted San Ramon Gold Mine where a positive Feasibility Study supports project development. Construction is scheduled to commence in 2015 with production in 2016.
